Counsel for the Debtors and Debtors-in-Possession

Dear Honorable Judge John Dorsey,

I am writing to object the proposal by FTX Debtors Motion filed on Dec. 27, 2023.

I was a customer of now bankrupt FTX. At the time of its demise, most of my assets were in BTC and USD. The proposed Debtors Motion marked BTC value at 16871.63 USD while it is trading at a price above 40,000 USD on Coinbase, a regulated exchange in the U.S., at the time of writing (GMT 14:00, Dec. 29, 2023). I consider this motion severely undervalued the holdings of FTX's customers. The mark-to-market method is not conducted in the best interest of FTX's customers.

Attached please find my FTX claim to verify the distribution of my asset.

Yours Sincerely,

Zhang Zhou

p.s., I moved to the current address in October 2023. My previous address on file with FTX was:
